 DESCRIBING PEOPLE <i>Character & Personality Adjectives</i> www.learn-english-today.com				
 cheeky	 clumsy	 energetic	 friendly	 greedy
 hardworking	 impatient	 intelligent	 lazy	 nervous
 polite	 popular	 romantic	 rude	 shy
 strict	 talkative	 unhappy	 untidy	 vain

O adjetivo vem antes do substantivo:

- They live in a modern house. (not in a house modern)

O final de um adjetivo é sempre o mesmo.

- a different place different places (not differents)

Be (am /is / are etc.) + *adjective*

- The Weather **is nice** today.
- The film **wasn't** very good. It **was boring**.

Look / feel / smell /taste / sound` + adjective

- You look tired.
- I feel tired.
- It smells good.

INTENSIVE 1

LESSON 04

A Many adjectives end in **-ing** and **-ed**, for example: **boring** and **bored**.
Study this example situation:

Jane has been doing the same job for a very long time. Every day she does exactly the same thing again and again. She doesn't enjoy her job any more and would like to do something different.

Jane's job is **boring**.

Jane is **bored** with her job.

Somebody is **bored** or gets **bored** if something (or somebody else) is **boring**. If something is **boring**, you get **bored** with it.

So:

- Jane is **bored** because her job is **boring**.
- Jane's job is **boring**, so Jane is **bored**. (*not Jane is boring*)

If a person is **boring**, this means that they make other people **bored**:

- Paul always talks about the same things. He's really **boring**.

B Compare adjectives ending in **-ing** and **-ed**:

- My job is **boring**
- My job is **interesting**
- My job is **tiring**
- My job is **satisfying**
- My job is **depressing** (etc.)

In these examples, the **-ing** adjective tells you about the job

- I'm **bored** with my job.
- I'm not **interested** in my job any more.
- I get very **tired** doing my job.
- I'm not **satisfied** with my job.
- My job makes me **depressed**. (etc.)

In these examples, the **-ed** adjective tells you how somebody feels (about the job).

Order of Adjectives

Determiner	Opinion	Size	Shape	Age	Color	Origin	Material	Purpose	Noun
A		small			red				suitcase
The				new	blue		silk		T-shirt
An		ugly					wooden		chair
This			round	new				kitchen	table
A	comfortable			new			velvet		dress
These	lovely			old			ceramic		mugs
That	beautiful					German		sports	car
Those	amazing	heart-shaped			red				balloons
A	wonderful			old		French			clock

A - AN**The difference between A and AN**

A and **AN** have the same meaning. **A** and **AN** are indefinite articles.

The difference depends on the sound at the beginning of the next word.

When the next word starts with a
CONSONANT SOUND

A

a book a frog

a dog a truck

When the next word starts with a
VOWEL SOUND

AN

an apple an orange
an egg an umbrella

BE CAREFUL! The **SOUND** of the letter is important

a house BUT an hour

The **H** at the beginning of **hour** is silent.

an uncle BUT a university

The **U** at the beginning of **university** sounds like **YOU**.

This rule applies to all words after **A** or **AN** (including adjectives, adverbs...)

a cold day

an easy lesson

a very crazy person

an interesting class
